PETITION UNDER 37 CFR 1.137(a)

Sir:

The present application was filed on March 19, 2004 under the correspondence address of Kanesaka and Takeuchi at 1423 Powhatan Street, Alexandria, VA 22314. I established a new Office of Hauptman Kanesaka Berner Patent Agents LLP on May, 2004 at 1700 Diagonal Road, Alexandria, VA 22314. The firm name was changed to Kanesaka Berner and Partners Patent Agents, LLP on October 2005 at the same address, i.e. 1700 Diagonal Road, Alexandria, VA 22314.

After I moved to the new address, I asked the office manager to change the address of all my files acting as a principle agent. The office manager contacted the Electronic Business Center of the Patent Office and obtained an electronic list in which I was present on the declaration at the time of filing the application. The address of the files was changed according to the list provided by the Patent Office.

On February 16, 2006, all files before moving to the present address were checked, and it was noticed that the address of the present application was not changed in the Patent Office and the application was abandoned by failure to file a response to the Office Action mailed on May 3, 2005. The Office Action mailed on May 3, 2005 and the Notice of Abandonment mailed on December 5, 2005 were not delivered to the undersigned agent.

Incidentally, in checking the file by the Patent Application Information Retrieval, the above Office Action and the abandonment of the application were issued and returned to the Patent Office.

I represents the present application as shown in the copy of the declaration attached herewith. However, the present application was not included in the electronic list supplied by the Patent Office. Accordingly, the Office Action and the Notice of Abandonment were not delivered to me.

As stated above, I changed the address of all the files under the supervision of the Office manager. However, since the list obtained from the Patent Office did not contain the present case, the address of the present application was not inadvertently changed at the Patent Office.

Therefore, the abandonment of the present application was unavoidable. Please revive the application and issue the Office Action once again.

Please charge the petition fee and any required fee in connection with the revival of the present application to Deposit Account No. 11-0219.

Respectfully Submitted,

DECLARATION

Sir:

I, Chris J. Sale, residing at 5310 Arapaho Lane  
Alexandria VA, 22312 states, as follows:

that I am a manager of the firm, Kanesaka Berner and Partners  
(formerly Hauptman Kanesaka Berner).

that in May, 2004, Manabu Kanesaka changed the practice from  
Kanesaka and Takeuchi, and formed a firm Hauptman Kanesaka Berner,  
Patent Agents LLP.

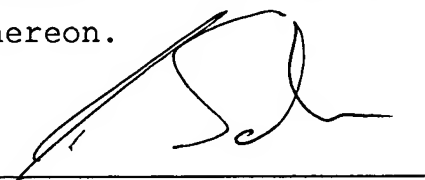

that in order to change the address of all of the files of  
Manabu Kanesaka held with the United States Patent and Trademark  
Office (USPTO) to new address, on or around May / June 2004, I  
contacted the Electronic Business Centre of USPTO who provided us  
with an electronic list, attached herewith, of the files in which  
Manabu Kanesaka was present on the Declaration at the time of  
filing the application.

that this data was sorted to the cases Manabu Kanesaka were principle agent and rearranged into the correct format by our office under my supervision and then sent back to the USPTO with a customer upload spreadsheet associated with the customer number 32628.

that upon searching the present application in the list after it was informed that the address of the present application was not changed, it was noticed that the present application was excluded in the initial list provided by the USPTO which was used to create the customer upload spreadsheet.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
